B) Training flights:

1. Eight training flights: distance from 3km - 70km.

* The organizers reserve the right to shorten or extend the flight and change the date of the flight due to weather conditions.

* For humanitarian reasons, a pigeon that returns the day before the flight or is in very poor health may not be put on the next flight.

C) Pigeons will be put on flights by a committee consisting of the organizer and willing participants of the mwgmałopolska.

D) The flights will be carried out by own transport on any given day in appropriate weather conditions for the pigeons.

7. The organizer is obliged to:

Take care for entrusted pigeons, health care (vaccinations, veterinary examinations), proper nutrition (feed, vitamins), organization of training and competition flights - keeping and publishing documentation from the course of the championship on the website.

8. Auction and sale of pigeons after the season:

After the season, the first auction will be organized, from which 50% of the obtained amount goes to the participant to whom the pigeon was assigned, 50% for the organizer, the starting amount is a minimum of PLN 200 for each pigeon. Pigeons that are not purchased in the first auction become the property of the organizer, the pigeons may be put up for the second auction, the amount of which is not divided between the participant and the organizer. A commission will be deducted in half from the sale at auction. No sales commissions are paid for pigeons put up for auction at supergolob.pl without pedigrees. In this case, 100% of the pigeon sold becomes the property of the organizer. A pigeon put up for auction without a pedigree becomes the property of the organizer in 100%. The pedigree issued by the owner should have at least the family numbers of the parents of

the pigeon put up for auction.

* All prizes will be issued at the end of the auction and upon receipt of the purchased pigeon from the auction.

9. Final provision:

With a smaller number of pigeons, the percentage of prizes will be smaller, but we do not plan to organize such championships / competitions with less than 200 pieces, please update the form and sign up to participate in the competition and show your best side.

10. Other important informations:

The racing season is organized from the first training flight to the final flight in a situation where at mwgmalopolska there are at least 5% of pigeons from the entire state, which was reported in the season. In a situation where the condition of the loft is lower than 5% of the pigeons in the whole condition from a hard flight (training / competition) and it does not increase up to 14 full days, the competition is interrupted. Returned pigeons are put up for auction, all previous prizes will be paid out. The remaining amount goes to the 2023 season.

GOOD FLIGHT!
